Free Colored Persons of Pender County

February 2007

Who are we?

We are descendants of free colored persons of SE NC.

We are tax-paying property owners since the 1760s.

We are descendants of the original people of SE NC.

We are descendants of African slaves.

We are descendants of Scot, Irish and English immigrants.

We have maintained our identity as a clan for over 200 years.

We have married within ourselves.

We have married people outside of the clan.

We have established enclaves in NY, NJ, Phila., SE VA and continue to stay linked within & between those communities.

We maintain mutually respectful relationships with our White kin.

We are re-building relationships with our kin who identify as Native American.

We are a mailing list 315 strong. We are an email list of over 160.

We meet annually -- numbering 75 to 100 -- just to re-connect.

We pray for one another often.

We support each other in the joy of births, the sting of death, the pain of sickness.

We show up at funerals, at weddings, at sickbeds of clan members.

We are PenderROCK – Pender Reunion Of Colored Kindred
