"My Daddy"

He is the man who made me who I am today; strong, loving and honest.

He taught me how to live the "right way" and do things the "right way".

Respect of self and others was "his thing."

He instilled the importance of education and a very strong work ethic in me.

He taught strong family values and to love unconditionally.

He was good to very, very good to his family and all those he held close to his heart.

He did all that he could to make people happy!!

He may not have been perfect, but he was "my daddy!"

FLORAL BEARERS

FAMILY AND FRIENDS

A precious one from us has gone,
A voice we loved is stilled,
A place is vacant in our home
Which never can be filled.

And after a lonely heartache,
And many a silent tear,
But always a beautiful memory
Of one we love so dear.

Acknowledgement

The family acknowledges with sincere appreciation for any and all expressions of love and concern during our bereavement. We have been greatly strengthened through your prayers and best wishes. May God bless you for being such great friends and neighbors and giving us strength. You have been a true blessing to us.
