## Beau Rivage resort

The resort is about 5-6 miles from Carolina Beach -- which looks very much like Topsail & Wrightsville. [Ocean, sand, beach bars, etc.]

You don't feel like you're in downtown Wilmington AGAIN. You really feel that you're in a secluded resort area.

You are about 10 miles from downtown Wilmington -- for shopping, etc.

Entering the compound, you see well-tailored lawn and gardens, along a winding road. Then, the building pops into view. Nice touch! The building is plantation-looking. Tall white columns, etc.

Each suite is large. The one we visited had two full-sized beds in the BR and a queen sofa pull-out in the LR. Both BR and LR had plenty of room. The bathroom is huge. No stove, but kitchen sink and refrig, and counter space for coffee and the like.

We expect to take all 26 suites. Every room faces the golf course in the back. Pretty, green view.  
Nice-sized pool.

Most importantly, these guys WANT our business!! They were very service-oriented, and make no bones about the fact that they are wooing us, want us to show up, and come back again.
