## A Better Place

She's in a better place right now  
Than she's ever been before;  
All pain is gone; she's now at rest;  
Nothing troubles her anymore.

It's we who feel the burden of  
Our sadness and our grief;  
We have to cry, to mourn our loss,  
Before we get relief.

We know we'll reconnect with her  
At the end of each life's road;  
We'll see her cherished face again  
When we release our earthly load.
